UNDERSTANDING OVERALL PERFORMANCE

This report card is designed to tell us how well we are helping students reach grade level and how well we are preparing them for success after high school. Much like the grades we give students, we can use these grades to identify ways to help schools improve over time. The overall grade is based on performance in three different areas, or domains, which are noted below.

STUDENT ACHIEVEMENT

77 out of 100

Student Achievement shows how much students know and are able to do at the
end of the school year.

SCHOOL PROGRESS

School Progress shows how students perform over time and how that growth compares to similar schools.

CLOSING THE GAPS

The Closing the Gaps domain tells us how well different populations of students in a district are performing.
