

San Elizario ISD Foundation Graduation Plans Fact Sheet

What is the Foundation High School Plan?

As per House Bill 5, the San Elizario Foundation High School Program provides the minimum number of courses needed to graduate from San Elizario High School. The plan consists of the 4X4 core and required electives for a minimum total of 26 credits.

What is an Endorsement?

It's like a degree plan for high school. Incoming ninth grade students will select an endorsement plan to complete while in high school. Depending on the endorsement area, students will take a minimum of 26-29 credits.

What is the Distinguished Level of Achievement?

All students enrolled in San Elizario High School will qualify for the Distinguished Achievement Program by completing the prescribed sequences of courses in one of the many programs offered by San Elizario ISD. By completing the four Math, English, Science and Social Studies to include Algebra II, completing the Endorsement electives and the remaining required courses, students will receive a Distinguished Level of Achievement label on their transcript.

What are Performance Acknowledgements?

Students have the option of earning a Performance Acknowledgment, which will be noted on the official high school transcript. This is not a graduation requirement, but allows students to obtain an acknowledgment for outstanding performance in various areas to include:

- ACT, SAT and PSAT scores
- AP exam scores
- Articulated courses
- Associate Degree earned as HS Student
- Dual Credit
- Earning a state or nationally recognized certificate or license
- International Baccalaureate (IB) exam scores
- Language acquisition
