

**Dollars and Sense**  
*(CTE Supporting Course)*  
**Angel Gonzalez**

I am a 2010 graduate of The University of Texas at El Paso with a Bachelor's in Business Administration with a concentration in Marketing. My experience as a classroom teacher spans over 11 years. In addition to creating material suited for my students, I am also the San Elizario High School Football Defensive Coordinator and Head Softball Coach.

Too often people question whether what they are learning in high school will benefit them in the future or they wonder, "Why didn't they teach me this in high school?" Luckily, my Dollars and Sense class consists of subject matter that benefits not only my students but their families as well.

I love to motivate my students and make learning a comfortable and enjoyable experience. I always aim to make my classes engaging by giving my students the opportunity to be uncomfortable by expressing themselves and having more talk time, so they can build confidence and improve their personal finance skills.
