

## San Elizario Fight Song

We've got to go and fight and Win Tonight!  
We've got to show that we are outta sight!  
For we, the Mighty Eagles, Are in Flight—  
We're ready to go out and fight with all out might!  
So be prepared for victory  
The Mighty Eagles will come through you'll see.  
Their power will combine to bring success.  
We're the best! Win tonight!
